

Chronic Youth

Raging Speedhorn

You will be dead tomorrow
If you dont read the signs
You tried to break the law
By kicking ass and getting high

CHORUS

[Goodtimes]
We gotta drink some more alcohol
Whiskey and wine
[Goodtimes]
A good smoke is all I want
The chronic youth

Fuck you and f**k we're drunk and proud
God save the chronic youth

You said you loved to party
Bullshit you know you don't
You say you've got a problem
Get high until you choke

REPEAT CHORUS

Get the f**k up, back the f**k up
God save the chronic youth!
Get the f**k up, back the f**k up
God save the chronic youth!

CRY! - The chronic youth! (2x)
We are the chronic youth! (4x)

Get the f**k up, back the f**k up
One bang and your eyes are dry
Get the f**k up, back the f**k up
One sip and you're pissed and high!
