Kneel down from the whispers of the demon

Within the flames searching deeper in this force, incense of ma dness and lust

Drawn, so close, to the gates, your streaming possessively shivers

Overwhelming your senses, you're suffering the teeth clinching rage

Born of demon, fear

Revile for me the lusts, fall for the gates of Satan

For the man, there has never been nothing Still bowing through the winds of dust Forever in time shall their knees face the flames Awaiting the collectors of the king

Revile for me the lusts, fall for the gates, set you in the tra

Rites upon the man Forever doomed to serve, reaching in for the flesh and lost Bowing your heads for no mercy

For the man, there has never been nothing Still bowing through the winds of dust Forever in time shall their knees face the flames Awaiting the collectors of the king

Forever they serve in honor of the one, so merciless upon the s laves of the light $% \left(1\right) =\left(1\right) +\left(1\right)$

Forth from the mist, serve the might of Satan
