Rah Digga

Rah, Rah, Rah Digga  
Yeah, yeah, yeah, yeah, yeah  
Check it out now, uh  
Dirty Harriet, Dirty Harriet  
Dirty Harriet, yeah

Where's my sisters?  
Where's my sisters?  
This one's for the brothers  
The brothers, the brothers

Said I be rappin' for da ladies  
What's up ladies?  
But this one's for da brothers  
The brothers, the brothers  
Yeah, check it out now

Now I'm the baby in the family and I got three siblings  
Three older brothers and we trying to make a living  
So we hustle and we bubble and we coming up fast  
Ain't gon' never be the same since mom and pops past

The oldest one, child prodigy no doubt  
Every since he was a kid used to ride a bitch out  
All grown up now nice job, nice clout  
Nice wife, nice house, tryna take the right route

Treat sis like a queen brother gave me everything  
Any time I got in trouble he could probably pull some strings  
Walk daddy's footsteps and career same speed  
Made the greatest big brother and a father to his own seed

(Uh, oh)

But something happened on the job, he started snappin'  
Problems with the wife, winging out and started cappin'  
Tried to turn himself in just to make things right  
Ended up taking flight 'cause he's not the jail type

The lesson of today  
You have to listen to each and every single word I have to say  
Because, Rah Digga remains raw  
(Follow the rules, ya hear me, uh?)

Now I got a second brother me and this one was closer  
Made me a little tom boy like he was supposed to  
Tearing up the place blowing weed in my face  
Irresponsible to death parents stayed on his case

Probably 'cause he wanted to be the baby in the family  
Drinking with his friends, making up  
Mommy carried me, look half way crook getting crazy on the mic  
Wasn't really into rap but the shit sound tight

He used to tell me all the time don't wet none sis  
By this time next year we gon' be dumb rich  
That's when I heard the ill my physical got killed  
Just a couple of weeks after signing a record deal

Now somebody gots to bust and have to get a little tough  
And on the block round the clock niggas ain't seen nothing  
Yeah right, never seen a brother more determined or eager  
Moms and pops couldn't see it now we not gonna see it either

The lesson of today  
You have to listen to each and every single word I have to say

Now my last and final brother, kinda something out the norm  
Some say part depressed some say part deformed  
Record unclean since his early teens  
In and out the youth house playing all the crime scenes

Early hangin' with fiends smoking all types of things  
He used to chase a basketball now he chasing pipe dreams  
From the door, shit was wrong undetected too long  
Bugged out when he was little now he big that was wrong

Little too early had to kick him out the house  
He just wanted some attention that's what dad was all about  
He used to bust down the door moms cry, pops fight  
Even family counseling couldn't make this shit right

Word on the street every body wanna do him  
From his so called boys to all the chickens he was screwin'  
Anybody get the chance, who will probably unload?  
How much longer sis got before the last brother gone  
Oh no
