Raheem DeVaughn

You all these things rolled in one
(Your body like a)
Me and you we just have a different type of energy
Listen
(Your body like a)

With a waist like that
Arch like that
Ass like that
From your lips like that
To your hips like that
You still look like that
Appetite for that
Keep you coming right back
Coming back to back to back, so
Be a freak for that
Till you're weak for that
(Be more sweet for that)

Your body like a remedy
(Mmm, I wanna taste)
Your body like a favorite dish
(Sweet like honey)
Your body like a brand new Benz
(Can't wait to drive it)
Your body like my best friend
(B-F-F, best friend)

Your body like a remedy
(Mmm, I wanna taste)
Your body like a favorite dish
(Sweet like honey)
Your body like a brand new Benz
(Can't wait to drive it)
Your body like my best friend
(B-F-F, best friend)

And everything about you
Is splendidly wonderful and superb
(Your body like a)
You hear me?
Yeah
(Your body like a)
Your body

Stamina like that
Flexible like that
On my dong like that
(On my dong like that)
Sweaty palms like that
Keep it long like that
(Two slow songs like that)
Catch your breath like that
Pillow talk like that
Gimme that right back, ooh
Touching souls like that
Like no doors like that

(Ain't no sleep, ain't no sleep, ain't no sleep)

Your body like a remedy
(Mmm, I wanna taste)
Your body like a favorite dish
(Sweet like honey)
Your body like a brand new Benz
(Can't wait to drive it)
Your body like my best friend
(B-F-F, best friend)

Your body like a remedy
(Mmm, I wanna taste)
Your body like a favorite dish
(Sweet like honey)
Your body like a brand new Benz
(Can't wait to drive it)
Your body like my best friend
(B-F-F, best friend)

Yeah, your body breed jealousy, they always hatin' (Always)
Your body been needin' me, and I'm always waitin' (Your body like a)
Your body like ice cream, I just want a taste
I just wanna kiss (Mwah) Come sit it on my face (Your body like a)
Too real for the radio, I done waited so long
We hold hands, we slow dance, I can't wait to go home
Kitchen counter on the nightstand, naby, I'ma go long
Take you for a ride, I just hope you hold on
We do what the song say, foreplay, your way
My way in the highway, park it do it in the driveway
We can do it to some Sade, we can do it in the hallway
She just wanna play Raheem, like all night, all day

Your body like a remedy
(Mmm, I wanna taste)
Your body like a favorite dish
(Sweet like honey)
Your body like a brand new Benz
(Can't wait to drive it)
Your body like my best friend
(B-F-F, best friend)

Your body like a remedy
(Mmm, I wanna taste)
Your body like a favorite dish
(Sweet like honey)
Your body like a brand new Benz
(Can't wait to drive it)
Your body like my best friend
(B-F-F, best friend)

Your body like a remedy
(Mmm, I wanna taste)
Your body like a favorite dish
(My best friend)
(Ripe and sweet)
Your body like a brand new Benz
(Can't wait to drive it)
(Like a pineapple, oh)
Your body like my best friend
(My B-F-F, best friend)
