

You

Raheem DeVaughn

You
Got me (you)
Thinking (you)
Of you
For you
Got me
Telling my mama (you)
And my friends
All about
You
In my daydreams of
You
Touching (you)
Holding (you)
Kissing (you)
As I'm sweaty with (you)
Came right on time (you)
Hey you
Every word in this song

Girl, every word in this song's
Gonna be about you
Girl, every word in this song's
Gonna be about you
Girl, every word in this song's
Gonna be about you

My love for you
Girl, every word in this song's
Gonna be about you
Girl, every word in this song's
Gonna be about you
Girl, every word in this song's
Gonna be about you

You
Don't stress me
At times you test me (you)
But i pass for (you)
So i promise
I'm not leaving
Only a fool would leave
Or try to deceive
I give my word to
I would die for (you)
Girl, i live for (you)
Said i breathe for (you)
I adore (you)
None but (you)
Came right on time (you)

Girl, every word in this song's
Gonna be about you
