

# Come Over

Rahsaan Patterson

Girl, oh baby

He never has too much to say  
But demanding everything goes his way  
Dismissing affection that's needed  
He comes in and then goes out everyday

So baby, I got to know just what you want  
What you need in each and every single way  
Yeah, yeah

If you ever want it to satisfy your needs  
Hey baby, come over  
Heart breaker, never would I take you for granted  
No baby, so come over

Come on, baby

He looks at every woman passing by  
More than the woman he's got at home  
He doesn't even know the way she feels  
Nor does he know she's on her way out the door

So baby, I got to know just what you want  
What you need in each and every single way  
Yeah

If you ever want it to satisfy your needs  
Hey baby, come over  
Heart breaker, never would I take you for granted  
No baby, so come over

If you ever want it to satisfy your needs  
Hey baby, come over  
Heart breaker, never would I take you for granted  
No baby, so come over

Come on in over  
Come over tonight  
Come on in over  
Come over tonight

I can give you the time of your life and  
I can give you the world, oh, baby  
I can give you the love you've been missing  
Destiny is in your hands

Hey, I got to know  
Just what you want  
And what you need in each  
And every single way, yeah, baby

If you ever want it to satisfy your needs  
Hey baby, come over  
Heart breaker, never would I take you for granted  
No baby, so come over

If you ever want it to satisfy your needs  
Hey baby, come over  
Heart breaker, never would I take you for granted  
No baby, so come over

If you ever want it to satisfy your needs  
Hey baby, come over tonight  
Heart breaker, never would I take you for granted  
No baby, so come over tonight

If you ever want it to satisfy your needs  
Hey baby, come over tonight  
Heart breaker, never would I take you for granted  
No baby, so come over tonight
