

So Fine

Rahsaan Patterson

I hate wakin' up in the mornin'
With twisted thoughts runnin' through my head
All alone in love and lazy
Cuz I'd rather be in your bed
Cuz you me lovin' so fine
Sho nuff one of a kind
Takin' me to places unfound
You give me lovin' so fine -- Sho doo
As dawn approaches baby I shiver
Anticipating the new day
Cuz I'm sure to cry in rhythm
Thinkin' of the many ways
...that you give me...

Chorus

Bridge

I'm so addicted to your stuff
'M always in need of your sweet touch
Said I'm a junkie for your love
S' tell me when, I'll have the chance again
You give give good lovin' so fine
Sho nuff one of a kind
Takin' me to places unfound
