

Tears Ago

Rahsaan Patterson

Hearts poundin' like crazy
Seein' you after all this time
It brings back memories
But that was tears ago

Remember when our love
Was so strong that neither one of us could do no wrong
Believed in you with all my heart, that's when the pain began
You left me for another lover

Loved you girl, tears ago
I used to love you, tears ago
Loved you girl
But that was tears ago

Never satisfied
Always thought the grass was greener on the other side
But now you've finally found the love was right before your eyes
You want me now but it's too late, I love

Loved you girl, tears ago
I used to love you, tears ago
Loved you girl
But that was tears ago

There's no more trust in this heart of mine
A new love, I'll have to find, yes
The one thing that I still know
Is that I loved you girl
But that was tears ago

Loved you girl, tears ago

Loved you girl, tears ago
I used to love you, tears ago
Loved you girl
But that was tears ago

Loved you girl, tears ago
I used to love you, tears ago
Loved you girl
But that was tears

'Cause I loved you baby
But that was tears ago, yeah
