## **Bye Bye**

Hey Girl, You know you're beautiful Where is the pretty smile that You've been hiding far too long Hey Girl, You know you're wonderful If he doesn't appreciate you Then it's time to say.... Bye Bye... Say Bye Bye... Say Bye Bye... If he does'nt treat you right Then who is he to stick around just say good bye Hey Girl, You know you're amazing Anyone who gets to love you Is one lucky quy Hey Girl, You know you're a queen If he doesn't appreciate you Then it's time to say Bye Bye... Say Bye Bye ... Say Bye Bye... If he does'nt treat you right Then who is he to stick around just say good bye I won't let anyone make me feel sad I won't let anyone make me feel down I won't let anyone make me feel unhappy If you don't treat me right Then it's time for me to Say bye bye ... Say bye bye... Say bye bye... If he doesn't treat you right then Who is he to stick around And say good bye Say bye bye... Say bye bye... Say bye bye... Treat me right, treat me right
