

You

Raisa

Oh-ooh

Forget my reputation
You got me losin' my cool
You got me like that
You got me like that, baby
Turquoise and breezy ocean
You got me losin' my mind
You got me like that
You got me like that, baby

Don't need you to convince me
I'm dancin' with you boy
I'm usually so insecure
But now I lose it all
What kind of trick you playin'?
I'm so confused, don't play now
No, don't play now

My heart keeps tellin' me
It's you-you-you-you-you
You-you-you, yeah, you're the one
My mind says, "Stop it, he ain't true"
But I don't mind, 'cause I got nothing to lose
Nothing to lose, I know, I know
It's you-you-you-you-you
You-you-you, I got nothing to lose
Nothing to lose, I know, I know
It's you-you-you-you-you
You-you-you, I got nothing to lose

More than I could imagine
You got me losin' my sanity
You got me like that
You got me like, mmh, baby
You treat me like a lady
I'm your baby
You got me like that
You got me like that, baby

Don't need you to convince me
I'm dancin' with you boy
I'm usually so insecure
But now I lose it all
What kind of trick you playin'?
Don't you start playing
Don't you start playing, oh-ooh

My heart keeps tellin' me
It's you-you-you-you-you
You-you-you, yeah, you're the one
My mind says, "Stop it, he ain't true"
But I don't mind, 'cause I got nothing to lose
Nothing to lose, I know, I know
It's you-you-you-you-you
You-you-you, I got nothing to lose
Nothing to lose, I know, I know

It's you-you-you-you-you
You-you-you, I got nothing to lose

'Cause I can't lie that I see the truth in you, my boo
And I realized that you feel the same way too, you do
You do

My heart keeps tellin' me
It's you-you-you-you-you (just you)
You-you-you, yeah, you're the one (just you)
My mind says, "Stop it, he ain't true" (true)
But I don't mind, 'cause I got nothing to lose
Nothing to lose, I know, I know
It's you-you-you-you-you
You-you-you, I got nothing to lose
Nothing to lose, I know, I know
It's you-you-you-you-you
You-you-you, I got nothing to lose
It's you-you-you-you-you
You-you-you, I got nothing to lose
I know, I know
It's you-you-you-you-you
You-you-you, I got nothing to lose
