

Relentless

Raised By Swans

Your voice hit me so hard
and so fast
and so far
I've been drawn in by your eyes
I'm helpless, I'm helpless

and do You feel me too?
I'm fading
and nearly used up
I'm alive inside a lie
You're waiting to be accused of

can You make me a promise
that you'll never promise
if you're careless
you'll swear this, this moment
could be always

and do you feel me too?
I'm fading
and nearly used up
I'm alive inside a lie
I'm waiting to be accused of

relentless,relentless...
