

Big Road

Bonnie Raitt

Well I ain't goin' down that big long lonesome road
Pretty baby don't you hear me talkin'
No I ain't goin' down that big road by myself
If I can't carry you baby
I'm gonna get me someone else

Alright boys
Well the sun is gonna shine in my back door some
My back door some, my door someday
You know the sun is gonna shine in
My back door some day
That big wind is gonna come up and blow my blues away

Now if you don't want me baby
Now why don't you tell me
Now why don't you tell me, tell me so
If you don't want me baby why don't you tell me so
It ain't like I'm a woman who ain't got no place to go

Play it right now
Now what good is a bulldog, if he won't fuss or
He won't fuss or fight pretty baby
What good is a bulldog, if he won't fuss or fight.
And what good is a man can't make his wolf stay all night
