

## Luck of the Draw

Bonnie Raitt

You dust the bottles on the bar counter  
You're writing screenplays on the side  
Three nights a week can keep a girl workin  
Sometimes it's good to lose your pride.

These things we do to keep the flame burnin  
And write our fire in the sky  
Another day to see the world turnin  
Another avenue to try.

It's in the Luck of the Draw, Baby  
The Natural Law  
Forget those movies you saw, little Baby  
It's in the Luck of the Draw, Baby  
The Natural Law  
(flame keep on burnin)  
Forget those movies you saw, little Baby  
(wheel ever turnin).

You turn around and say it's last orders  
You fix the ribbon in your hair  
Tomarrow's letter by the hall doorway  
Could be the answer to your prayers.
