

Not the Only One

Bonnie Raitt

I was in a daze, movin' in the wrong direction
Feelin' that I'd always be the lonely one
then I saw your face, on the edge of my horizon
whisperin' that I wasn't the only one
The lonely one.

One chance intervention, see what it can signify
The slightest misapprehension, baby
And we'd have passed each other by
When I heard your sweet voice callin'
Saw your light come shinin' through
I couldn't stop my heart from turning
Churnin' out my love for you, my love to you.

I was in a daze, movin' in the wrong direction
Feelin' that I'd always be the lonely one
then I saw your face, on the edge of my horizon
whisperin' that I wasn't the only one
The lonely one.

True love or perfection
It seems like it's overdue
Then just when you least expect it
It comes sneakin' up on you
When I thought that I was dreaming
Felt your body close to mine
Now love takes on a different meaning,
Together till the end of time.

I was in a daze, movin' in the wrong direction
Feelin' that I'd always be the lonely one
then I saw your face, on the edge of my horizon
whisperin' that I wasn't the only one
The lonely one.

I was in a daze, movin in the wrong direction
Feelin that I'd always be the lonely one
then I saw your face, on the edge of my horizon
whisperin that I wasn't the only one
The lonely one.
