

# Standin' by the Same Old Love

Bonnie Raitt

I told you before  
You know it may take a little while  
I'd like to go there with you but  
Runnin' just ain't my style

You want me to stay, well  
You got to take it nice and slow  
I'll show you the way  
Just tell me if you wanna know

I remember the time  
When we thought we'd never get enough  
Tryin' to make a new love  
And makin' it all at once

We wonder how we keep it up  
After all these years  
You worry 'bout your end, baby  
I'll bring up the rear

I love you, baby  
Don't you push me up against the wall  
I ain't gonna jump every time  
You need an overhaul

Maybe it'll take all night  
But we'll do it 'til we get it right  
And we'll be standin' by the same old love  
That made us fall

There's a lot more to love  
Than seein' how much love we can make  
There's the kindness that makes it  
So sweet 'til your little heart could break

And I want you to know  
That I'm not just along for the ride  
And I won't settle for less than  
Everything I've got inside

I love you, baby  
Don't you push me up against the wall  
I ain't gonna jump every time  
You need an overhaul

Maybe it'll take all night  
But we'll do it 'til we get it right  
And we'll be standin' by the same  
Standin' by the same

Well, we'll be standin' by the same old  
Oughta be standin' by the same old love  
Ooh, standin', standin'

Why aren't ya standin'? Oughta be standin'  
Why aren't you just standin'?  
Why aren't you just standin'?
