

Sugar Mama

Bonnie Raitt

Sittin' here worryin' while you're lookin'
to find yourself .. somebody else.
Me lovin' you and wantin' you, baby,
you not knowin' what you want yourself.
Why do you treat me so mean .. it hurts so bad.
All you wanna do is just sit around at a bar and jive.
You don't even know this woman's alive.
And I'm sittin' here worryin' while you're lookin'
to find yourself .. somebody else.

Ain't gonna be no Sugar Mama no more.
Well, you can't have love, people, when you're keepin' score.
All you pretty boys that used to catch my eye,
I just want one who wants to satisfy.
Ain't gonna be no Sugar Mama no more.

Sittin' here worryin' while you're lookin'
to find yourself .. somebody else.
Me lovin' you .. nobody but you...
And you not knowin' what you want yourself.

All you pretty boys that used to catch my eye,
I just want one who wants to satisfy.
Ain't gonna be no Sugar Mama no more.
No, I ain't gonna be no Sugar Mama no more.
You see, I ain't gonna be no Sugar Mama no more.
I said..ain't gonna be your Sugar Mama no more!
