

Infuriator

RAM

Enaggrevate, uprise, rebell, desecrate the ways before,
destroy the old.
Elevate your inner truth, unite and bring the liars down.

Born to conquer, racapture our fate, bound to the power
we stand.
Infuriator our dogma, our force, fuelled by fury till
death.

Vindicate our only path.
Separate the false from true, optimize, incorporate the
art with life, embody the force you feel within.

Born to conquer, racapture our fate, bound to the power
we stand.
Infuriator our dogma, our force, our iron religion, it
will not decline of solid Metal spine, toughened
vindicator, fierce annihilator, iron fist dictator, cold
anticipator, the infuriartor.
It will not decline of solid Metal spine, spirit
detonator, dark emancipator, the infuriator.

Born to conquer, racapture our fate, bound to the power
we stand.
Infuriator our dogma, our force, fuelled by fury till
death.
