

Clover

Ramona Falls

If every tree points to a star
If every tree points to a star
I bent the tips all over
I set a snare for clover
I bent the tips all over

Nothing is as special as this
Nothing is as special as this
Nothing is as special as this

It's frustrated love
It's frustrated love

If I'm dreaming you and you're dreaming me
Then why don't we choose a different story
If I'm dreaming you and you're dreaming me
Then why don't we choose
If I'm dreaming you and you're dreaming me
Then why don't we choose a different story
If I'm dreaming you and you're dreaming me
So why, why

Probably forget to rememeber it
You'll probably forget to remember it
(Probably forget)
This fun, it feels like toil
(Remember it)
So ripe it's going to spoil
(Probably forget)
This fun, it feels like toil
(To remember it, probably forget)
Would start to let us finish it
(Remember it, probably forget)
My heart wants just to know that it exists
(Remember it)
Would start to let us finish it

My heart, my heart, my heart, my heart, my heart

If I'm dreaming you and you're dreaming me
Then why don't we choose a different story
If I'm dreaming you and you're dreaming me
Then why don't we choose
If I'm dreaming you, then you're dreaming me
So why don't we choose a different story
(Why - if - this - dream - is - to - die)
If i'm dreaming you, then you're dreaming me
(Why - if - this - dream)
Then why

I do not understand
If time is smooth
If time is rough
I do no understand
If love must go
Away with trust

I may want you, but you don't want me
So why wouldn't it be better to leave
I may want you, but you don't want me
So why wouldn't it be better to leave
(If every tree)
I may want you, but you don't want me
(Points to a star)
So why wouldn't it be better to leave
(If every tree)
I may want you, but you don't want me
(Points to a star)
So why wouldn't it be better to leave
(If every tree)
My heart wants just to know that it exists
(Points to a star, if every tree)
My heart wants just to know
(Points to a star)
