

Molly Make Up Your Mind

Rancid

Molly make up your mind, Molly
Molly make up your mind

Molly don't give a fuck what they said
Tired of hanging out with the living dead
Cops shot the tired just to make some hope
Moved to California where the cops don't shoot

Molly make up your mind, Molly
Molly make up your mind

Molly moved to a boxcar fraught to death
San Francisco bay she decided to stay
Fell asleep hard in a bed of flowers
Gets another train in a couple of hours

Molly make up your mind, Molly
Molly make up your mind

Molly obtained certain information
Zero per zero is zero equation
Got that money as she left that place
Fuck human hosts she's tired of this place

Molly make up your mind, Molly
Molly make up your mind
Molly make up your mind
Molly make up your mind
