

A Little Bit Older

Randy Houser

I showed up, I hit it hard
I punched another hole in that timecard
Just like I did the day before
I gave my all and a little more
I earned my pay and walk doubt that door

A little bit older a little Budweiser
Another day's over raise 'em up higher
Tomorrow's already lookin' brighter
A little bit older a little Budweiser

My circle of friends
This circle of life
Here's to all the good time
Friday nights
I put another forty in
Lord willin' next weekend
I'll be back here again

A little bit older a little Budweiser
Another day's over raise 'em up higher
Tomorrow's already lookin' brighter
A little bit older a little Budweiser

A little bit older a little Budweiser
Another day's over raise 'em up higher
Tomorrow's already lookin' brighter

How 'bout another round, yeah I got her
Feelin' like another all-nighter
Tomorrow's already lookin' brighter
A little bit older a little Budweiser
