

# Before Midnight

Randy Houser

Get your pretty little self shined up  
Girl were gettin' outta here, yeah we're getting' out there tonight  
We can take it through town 'til the roads run out  
Where the world slows down, watch the moon get drunk on you  
Smile

Can't get there quick enough  
Can't wait to drink it up  
Gonna find your favorite song  
And watch it turn you on

So I can see your sweet little summer time silhouette swayin'  
Shakin' in the shadows of the headlights  
I'm sittin' here sweatin' I'm losin' my breath  
And I'm catchin' that green light look in your blue eyes  
You got me all messed up, you're lookin' so damn fine  
Girl there ain't no way, I'm gonna get you home  
Before midnight

(No way I'm gonna get you home)  
(No way I'm gonna get you home)

Ruby red deep Eddy in your cup  
Just a sip of that stuff makes your lips so sweet when ya kiss me  
Kiss me baby  
Get your bare feet in the cool grass  
Get to movin' that oh yeah oh yeah ya know just how to kill me  
Killin' me baby  
The sun is burnin' out  
Let's pull it over now  
Can't wait to watch ya let your hair down, hair down

So I can see that sweet little summer time silhouette swayin'  
Shakin' in the shadows of the headlights, hmm  
I'm sittin' here sweatin' I'm losin' my breath  
And I'm catchin' that green light look in your blue eyes  
You got me all messed up, you're lookin' so damn fine  
Girl there ain't no way, I'm gonna get you home  
Before midnight

Before midnight

Get you home before midnight  
(No way I'm gonna get you home)  
(No way I'm gonna get you home)  
Before midnight
