

# Nothin' on You

Randy Houser

My truck, my boat  
My drink, my smoke  
My old broken-in boots  
My old dog Blue

My truck, my boat  
My drink, my smoke  
My old broken-in boots  
My old dog Blue  
Got nothin' on you  
Everything I got got nothin' on you

Every song in this guitar  
Every dollar in my jar  
Daddy's watch here on my wrist  
Every girl I ever kissed

Every song in this guitar  
Every dollar in my jar  
Daddy's watch here on my wrist  
Every girl I ever kissed  
Got nothin' on you  
Everything I got got nothin' on you

Every star in the sky  
Every piece of Mama's pie  
Every every little thing  
Girl, you put 'em all to shame

Every star in the sky  
Every piece of Mama's pie  
Every every little thing  
Girl, you put 'em all to shame  
Got nothin' on you  
Everything I got got nothin' on you

The way you wear that dress  
Puts a skip in my chest  
The way you hang it on the door  
The way you drop it on the floor

The way you wear that dress  
Puts a skip in my chest  
The way you hang it on the door  
The way you drop it on the floor  
Nothing I like more  
Than nothin' on you, girl  
Than nothin' on you, girl  
Than nothin' on you
