

Anchors Away

Randy Rogers Band

Sun's on the ceiling
Is my sign for leaving
She's lying there sleeping
As I slip away

Like a thief in the night
In the God honest daylight
My life's like a rerun
Guess I'll never change

Anchor's away, works like a charm
The first sign of danger
I pull the alarm
Something's broken in me
I don't wanna leave
Don't know how to stay
Anchor's away
Anchor's away

This house is haunted
The last thing I wanted
Is your memory gone
But I wish it would go

Cause she just reminds me
Of all that I should be
But I'm just a ghost of the man that you know

Anchor's away, works like a charm
The first sign of danger
I pull the alarm
Something's broken in me
I don't wanna leave
I don't know how to stay
Anchor's away
Anchor's away

Don't worry darling
If there's a storm
You can count on me running
Trust me I'll be long gone

Anchor's away, works like a charm
The first sign of danger
I pull the alarm
Something's broken in me
I don't wanna leave
I don't know how to stay
Anchor's away
Anchor's away
Anchor's away
Anchor's away
