

Neon Blues

Randy Rogers Band

She comes in here every night
That I ain't over it yet look in her eyes
Its just her and that glass
Whoever he was, he must have hurt her bad
Some fools never learn yeah that her song
She orders a double when it comes on

She's got the neon blues
She ain't in the mood
For any more lies or pickup lines
She ain't lookin' for love,
She knows it ain't nothing but a drink or two
And he'll be off her mind
Tonight she's just trying to lose those neon blues
Neon blues

Go on and give it a shot,
Man I think its gonna take more than you've got.
She'll let you buy a round,
That's as far you'll get then she'll shoot you down

She's got the neon blues
She ain't in the mood
For any more lies or pickup lines.
She ain't lookin' for love,
She knows it ain't nothing but a drink or two
And he'll be off her mind.
Tonight shes just trying to lose those neon blues.

Any kind of tequila,
Now that what she likes,
I'm trying to tell you,
You're wasting your time.

She's got the neon blues.
She ain't in the mood
For any more lies or pickup lines.
She ain't lookin' for love,
She knows it ain't nothing but a drink or two
And he'll be off her mind.
Oh tonight shes just trying to lose those...
Oh tonight shes just trying to lose those...
