Pissed cause the bitch wanna gimme a kiss
They wish they could live like this (ha)
Yeah we just killed the show
Now we headed to the pent house sweet on the 85th floor
With this sh*t we can't see
Better get your girl cause your girl might cheat...

I want you your friend and your other friend
Cause we're goin in too many dimes in my hand
And when I put em in the air they drop to the floor
Keep bouncin if it's heads ya gotta gimme dome
Uhh passed it to their room
They knock on the door he was smacking to
And to ya know J pass a did it cause everyday he just paid it
But the smarty he just had to ask and she was like "okay"...
