My fist pull chicks when I don't want to  
The beats crazy and my rhymes vicious  
I'm too mannie and I'm bout to rip this  
'Cause I'm the one that throw it up  
Flip it 'round, love it when she make the sound  
Hit the ground, tear it down

I'm flyer than Superman and I don't need no phone booth  
When I rock your boat I capsize it to the ocean  
Rub her down with lotion, give her my potion  
She say that she love me, but I don't do devotion  
I came to get you open, I came to make you scream (yeah)
