The Ranger\$

Umm, Its the rangers

What you thought  
(Ayee me, stop playin)

[Julian]  
Yeah  
Ha  
Its the Rangers  
Yeah  
We lookin good  
Just like we should

Ya digg  
I look good, but when do I never not  
I love older women, and you love me a lot  
I'm not supposed to but f\*\*k it, let's take some shots  
Girl I'm the s\*\*t  
Just in case you forgot  
She said she like my dougie like she should  
I told her that's whats up  
He man be muggin like he..  
But I don't give a f\*\*k  
I'm here to say hello  
So tell him goodbye  
Its the Rangers baby  
I rep it till I die

[DayDay]  
You should already know  
Its the Rangers  
We that business  
I will steal your chick like the grinch stole Christmas  
I'm fresh out the box like Jordan Sixers  
So that means I'm ballin  
Yeah my whole team swishin  
And you know we stay dipped in that new LA s\*\*t  
I'm very well rounded  
I see kitty then I pound it  
You can catch me in that rocketship  
My living room is NASA  
About to blast off  
Salute the space captain

[Chorus]  
I pull chicks  
Just like I should  
Ride clean whips  
Just like I should  
I do s\*\*t  
That you wish you could  
I look good  
I look good  
Like I like I  
Just like I should  
Just like I should  
Just like I should

I look good  
I look good

[Langston]

I'm feastin on you haters cause a n\*\*\*a is original  
Now ya boy lyrical  
Never really sippin though  
They say I look good  
Spot you mean kinda inked up  
Get yo hate up while I get my fame up  
It's a shame uhh  
I'm only 16  
Like they say I'm a vegetarian  
Love the green  
We too fly  
Swagger Jackers know what's up  
So when they searchin for that LA swag they look up

[Spotlight]

Remember you used to see me runnin round the hood  
Now I'm tripping off a thing cause I knew sh\*t would get good  
Now I'm ballin, makin money like a real man should  
And yeah I love my momma so Imma treat her good uhh  
Meanin that Imma help her out  
Show these washed up rappers what a real flow is about  
Lyrics like an AK  
Chump I'm dumpin em out  
Time to let you n\*\*\*\*s see the real me come about

[Chorus]

I pull chicks  
Just like I should  
Ride clean whips  
Just like I should  
I do s\*\*t  
That you wish you could  
I look good  
I look good  
Like I like I  
Just like I should  
Just like I should  
Just like I should  
I look good  
I look good

Yeah
