

# Come With Your Lady

Rare Earth

[Intro]

[Verse]

The rush is over  
The time is now  
You lie in hope  
You're not alone  
And you're feelin' easy  
The mood is there  
[?] spectre  
You smell the air

[Pre-Chorus]

Oh precious lady  
Love me [?]  
Let her heart share this moment  
For soon it will be gone

[Chorus 1]

Come, come, come with your lady, yeah  
Give, give, sweet meat and gravy, yeah  
Live, live, blue skies above [?]  
Yeah, yeah, come on and get down with the man

[Post-Chorus]

You know how much you need a woman's touch, yeah  
You know how good it can be, [?]

[Chorus 2]

Come, come, come with your lady, yeah  
Come with your lady, yeah

Give, give, sweet meat and gravy, yeah  
Sweet meat and gravy, yeah  
[?] say all the things you wanna say  
All the things you wanna say  
[?] play all the games you wanna play  
[?]

[Post-Chorus]

You know how much you need a woman's touch, yeah  
You know how good it can be, [?]

[Guitar Solo]

[Break]

Well it really isn't very surprisin'  
When you feel her body temperature risin'  
And you look into her eyes [?]

[Chorus 3]

Come, come, come with your lady  
Give, give, sweet meat and gravy, yeah

[Post-Chorus]

You know how much you need a woman's touch, yeah  
You know how good it can be, [?]
