

# Every Now And Then We Get To Go On Down To Miami

Rare Earth

I ain't got no money  
And neither has my honey  
But happiness is just around the corner  
Here we stay, every day  
Saving up for money just to get away  
And every now and then we get to go on down to Miami  
Every now and then we got to go on down  
Every now and then we got to go on down  
Every now and then we got to go on down to Miami

Well life won't last forever  
It's either now or never  
We get some cash and leave our troubles behind us  
And we'll be free, naturally  
And that's the only way it was meant to be  
And every now and then we'll get to go on down to Miami  
Every now and then we got to go on down

Every now and then we got to go on down  
Every now and then we got to go on down to Miami

Mmmhmm gonna go on down to Miami  
Goin to the sunshine  
Save my money just to make it to the sunshine in Miami  
Sunshine

I ain't got no money, and neither has my honey  
But happiness is just around the corner  
Here we stay, every day  
Saving up for money just to get away  
And every now and then we get to go on down to Miami  
Every now and then we got to go on down  
Every now and then we got to go on down  
Every now and then we got to go on down to Miami
