

Nice To Be With You

Rare Earth

We hope you like the song
We're glad you came along
Our hands were in the air
The pulse was everywhere

We traveled 'cross the land
With suitcase in our hand
We played the music through
It's nice to be with you
(Nice to be with, nice to be with, nice to be with, nice to be
with, nice to be with)
(Traveled 'cross the land)
With suitcase in our hand
(Played our music through)
It's nice to be with you

Never come back down
Now it's time to go
We'll be back I know
So this is where it ends
We hope you make some plans
We hope you make some plans
