

# The Seed

Rare Earth

Yeah well a seed is in bloom  
Will it meet an early doom  
Or survive in a tranquil sea?

Does it face an evil land?  
Will it find a real friend?  
Should it be called humanity?

Could the breath of two unite?  
Could wrong be part of right?  
Would they plan in harmony?

Will creation of man  
Bring death by his hand  
Or will life be his destiny?

Oh, where do we go from here?  
Tell me where do we go from here?  
Will he overcome the fear (overcome the fear)

Of seeing and being?  
Where will he go from here?

When the day's lived its course  
Will you feel no remorse  
For creation of a nation that overran its course?

A seed is in bloom  
Will it meet its early doom  
Or survive in a tranquil sea?

Tell me, where will it go?  
Yeah, where's it gonna go from here?  
Tell me, tell me, where's it gonna go?  
I got to know where will it go  
Where will it go, where will it go from here?
