

## End of the Story

The Rasmus

Ooo - at the end of the story  
The boy goes down in flames  
Oh why - why should I worry?  
'cause I know I can change

It's like a bad dream  
I see you in her eyes  
Everytime we touch a bit of me dies  
I know it's all wrong  
How did I become so mean?  
Middle of the night  
You come into my room  
You get into my bed  
You crawl into my bed  
She's lying there asleep  
So innocent and sweet  
I know it's all wrong

So why do I do what I do?  
I never meant to be cruel  
How do I start a new down without you?  
I wanna hear a new sound  
I wanna play a new round

Ooo - at the end of the story  
The boy goes down in flames  
Oh why - why should I worry?  
'cause I know I can change

You've taken over me  
I want you but I plead  
Guilty for the fact  
she's caught up in between  
Reality, the dream, the truth, the lie  
The good and obscene  
But the shame aims at me like a gun  
I wish I could escape  
but there's nowhere to run  
And all these bitter lies  
They can never be undone  
Can't look her in the eyes

And I'll do anything to be there  
I want you out of my head
