

First Day Of My Life

The Rasmus

- Am** **F**
1. Feel like I'm stoned
F **Dm** **E** **Am**
wanna be alone, just for a while, unknown
Am **F** **Dm**
Weeks on the road a long way from home
Dm **E**
just shut off the phone
- Am** **F**
And you say I'll heal you,
Dm **E**
I'll always be yours
Am **C** **Dm** **F** **E**
and you say I'll kill you if I do something wrong
- Dm** **G**
R: Still feels like the first time
C **Am**
to stand here by your side
Dm **G**
together regardless
C **Am**
we'll walk through the darkness
Dm **E** **Am**
Still feels like the first day of my life
2. Remember the times
together we swore, never give up this life
still hanging on, still going strong
here I belong
- And maybe I'm crazy
but I just can't slow down
And maybe I'm crazy but at least I'm still around
- R: Still feels like...
