

# I Don't Care

Rattle Bucket

All days when I must listen  
All those bullshits

Just get get get get get get  
Get get away

I talk to you let's try no more shit

I know you're never fair

I don't care  
I don't care  
I don't care

We don't want any statement

Just I don't wanna stay blind too to be like you

I don't care

We don't want your great plan

Your words never change me  
Trough the way they do

I don't care

I can't stand your lies, no more...

Lies

Don't stay again  
I'm reading all those bullshits

Just get get get get get get  
Get get away

I talk to you let's try no more shit

I know you're never fair

I don't care

Hey  
Jere we are  
Not asking why  
hey  
It's your problem  
Cause  
I don't care

I don't care about you
