

I'm scared that I may not last forever
When the yard comes
I'm aware that we're all in this together
They are calling us
They are calling us
They are calling us
They are calling us
Now they are with us
And they're calling
And they're calling
Calling
Calling
Calling

[?]
Why are these niggas triflin, why are these bitches triflin
I don't know and I don't like it
[?]
I go coast in the water
[?]
We'll fall...

I'm scared that I may not last forever
When the yard comes
I'm aware that we're all in this together
They are calling us
They are calling us
They are calling us
They are calling us
Now they are with us
And they're calling
And they're calling
Calling
Calling
