When you hit eighteen (That's what you wanna do), but see, that's what you, that's what you wanna see (You don't wanna listen to me). Nah, nah, I'm not listening, I'm talking! (You never wanna-) I'm talking, I'm talking about the way I see (Okay, you can't see it how I'm seeing it. Let me tell you how I'm seeing it). I'm a give you a chance to say (No you're not) how you feel (Okay). I'm a give you a chance (Okay) when you came in I told you to listen. (I'm listening)
