Baby I wanna do it like you
But it must be the things you do
Cause 'I'm too young to fall in love yo

I thought about telling my mother but I don't think she'd like that too much
So instead, I think I'll just write you a letter

Top, top on the shock on the spot
Raven loves six so here comes the doc
Well lil' Raven come and get your shovel and dig this
We top the Seuss kick

Never fell in love with Tamika through it was my teacher too much for me to

They used to tell me you'll be Seuss when your older
If you take the time and be patient when your all grown up you can find love
and take it

Cause I'm cute, leave the Seuss, I'm too old for you but I can dig it for th
