

Cheetah Sisters

Raven-Symoné

There's a time when we all choose
To either quit
or follow through
To just loose faith
or trust your heart to somehow lead you through the
dark
you're not the only one
whos dreamin
who needs help to carry on
we might get lonely but were not alone

'Cause we are sisters
We stand together
We make up one big family though we don't look the same
Our spots are different,
different colors
We make each other stronger that ain't ever gonna
change
We're Cheetah Girls Cheetah Sisters

Gotta do what we gotta do
Got the brains got the power and we speak the truth
We're from everywhere all around the world
So you best respect the cheetah girl
dancin' singin' from our birth
Workin' hard for what we deserve
Tryin' not to break the rules
'Cause mama didn't raise no fools
It may seem that we're only dreamin'
And we need help to carry on
It's good to know we're not alone

'Cause we are sisters
We stand together
We make up one big family though we don't look the same
Our spots are different,
different colors
We make each other stronger that ain't ever gonna
change
Believe it mister
We're cheetah girls cheetah sisters

Someone's always there behind
to catch us if we fall

'Cause we are sisters
We stand together
We make up one big family though we don't look the same
Our spots are different,
different colors
We make each other stronger that ain't ever gonna
change
We're Cheetah Girls Cheeath Sisters
