

# This Is My Time

Raven-Symoné

Oh,  
At times I felt like I had lost my self  
Cuz people try to make you someone else  
I had to learn to trust my heart  
So things can change

I came to a point  
Where I can speak my mind  
And not feel  
I'm living in a box  
To keep the girl I am concealed  
Oh  
I finally found the strength so I can  
Leave that all behind

This is my time, to shine  
This is my place to find  
All that I have inside  
I never knew

This is my time to show  
What I must have always known  
That nothings impossible  
And dreams come true

Everybody's got the strength inside  
All it takes is time to realize  
That you and only you  
Can be the one to decide

I can, I will, I know that everything I want  
I can do  
Believing in my self  
Then every wish I make will come true

Oh,  
It took a while to get this far  
But I'm here now

This is my time, to shine  
This is my place to find  
All that I have inside  
I never knew

This is my time to show  
What I must have always known  
That nothings impossible  
And dreams come true

Overcoming all these things  
Here I finally found my wings  
Now I know I'm ready to fly.....

This is my time, to shine  
This is my place to find  
All that I have inside  
I never knew

This is my time to show  
What I must have always known  
That nothings impossible  
And dreams come true
