Woooh, well, don't you know, baby Child, don't you know baby Oww, don't you know baby Little girl, little girl, don't you know Please listen to me baby Girl, I'm in love with you so

Turn your lamp down low
I said turn your lamp down low
Wooo, turn it down
Please turn your lamp down low
Come on baby
Girl I'm in love with you so

Now I know I've been away
For such a long time
But now baby
I can't get you off of my mind

So come on, please baby come on Come on, come on Love your daddy all night long

Now if you love me Like I love you We can do all the things that we Used to do

So come on, Oww, baby come on Please baby come on Love your daddy all night long

(SOLO - piano)

Say, have you heard baby Ray Charles is in town Let's mess around till the midnight hour See what he's puttin down

Come on
Please baby, come on, child
Oh lord, baby
Come on, all night long

Turn your lamp down low
Cause I love you so
Baby please come on
Love your daddy all night long
You hear me talkin, baby
Baby please come on
