

Christmas Bride

Ray Conniff

Ohh!!!!

santa make her my bride for christmas
santa it wouldn't cost very much
Just a sprinkle of reindeer dust,
a sprig of mistle toe
and the sound of your laughter
as you fly above the snow

santa if you will use your magic
this christmas eve while im holding her tight
then i'll whisper the proper thing and offer
please santa make her my christmas bride

santa make me his bride for christmas
santa it wouldn't cost very much
Just a sprinkle of reindeer dust,
a sprig of mistle toe
and the sound of your laughter
as you fly above the snow

santa if you will, use your magic
this christmas eve while im holding her tight
then we'll whisper the proper things
and wear each others ring

santa make her my christmas bride
