

Burnt Fingers

Ray Price

When a man plays with fire, he gets burnt fingers
When he's a playin' with desire, he gets burnt fingers
When a man starts to trifle and leaves his true love all alone
He'll break her heart and break his own

When a man finds a bad girl, he think it's fun
But when he comes back to his little girl, the harm is done
When a man gets burnt fingers, he gets the deepest kind of blue
s
When a man plays with fire, he's bound to lose

When a man finds a bad girl, he think it's fun
But when he comes back to his little girl, the harm is done
When a man gets burnt fingers, he gets the deepest kind of blue
s
When a man plays with fire, he's bound to lose
