I couldn't sleep last night just walked the floor don't know ho w I stand this anymore

Lonely are the times since I lost you received your invitation to the blues

I don't know why you caused me such pain

I just hope I'll never go through this much again

Thanks for sending something I can't use received your invitati on to the blues

You took the laughter from this world of mine thanks to you the sun will never shine

Walk the floor so much wore out my shoes received your invitati on to the blues

I don't know why...I don't know why you caused me such pain

I just hope I'll never go through this much again

Lonely me I don't know what to do received your invitation to the blues
