Just one more dance, just one more chance So I can talk to you Don't live too fast, forget the past And I will try to prove

I would do anything you ask me to Don't run around, don't turn me down Let me talk to you

Don't go too far with that crowd at the bar That's not the way to win Please fall in love again

Give me your heart
So I can start to build our life anew
I know you've paid
So if you're afraid, let me talk to you

Don't go too far with that crowd at the bar That's not the way to win Please fall in love again

Give me your heart
So I can start to build our life anew
I know you've paid
So if you're afraid, let me talk to you
