

Set Me Free

Ray Price

If you think you've had enough
If you think our life's been rough
Why not take your love line off of me
And set me free?

If you think our love's all wrong
And you feel the fire's all gone
If that's not what you'd like for me to be
Come, set me free

Set me free and let me fly
Like a bluebird up in the sky
Release the chain that's binding you and me
And set me free

Set me free and let me fly
Like a bluebird up in the sky
Release the chain that's binding you and me
And set me free
