Time Changes Everything

Ray Price

There was a time that I thought of no other And we sang our own love's refrain Our hearts beat as one as we had our fun But time changes everything.

When you left me my poor heart was broken Our romance seemed all in vain The dark clouds're gone and there's blue skies again The time changes everything.

You can change the name of an old song Rearrange it and make it swing I thought nothing could stop me from loving you But time changes everything.

So goodluck to you, may God bless you I can't say I won't love again You've gone your way and now I'll go mine 'Cause time has changed everything...
