

Today I Started Loving You Again

Ray Price

Today I started loving you again now I'm right back where I've
really always been
I got over you just long enough to let my heartache mend
Then today I started loving you again

What a fool I was to think I could get by with only these few m
illion tears I've cried
I should have known the worst was yet to come
And that crying time for me had just begun
Cause today I started loving you again
Today I started loving you again
Yes today I started loving you again
