

Wondering

Ray Price

Wondering wondering who's kissing you wondering wondering if you're wondering too

Every hour of the day since you've been away

I keep wondering yes wondering if you're wondering too

Every night I pray to the good Lord above to send back to me the one I really love

Wondering wondering who's kissing you wondering wondering if you're wondering too

Every night I pray to the good Lord above to send back to me the one I really love

Wondering wondering who's kissing you wondering wondering if you're wondering too
