

Crying Time

Ray Stevens

Oh, it's cryin' time again, you're gonna leave me
I can see that far away look in your eyes
I can tell by the way you hold me darlin'
That it won't be long before it's cryin' time

Now they say that absence makes the heart grow fonder
And that tears are only rain to make love grow
Well my love for you just won't grow any stronger
If I live to be a hundred years old

Oh, it's cryin' time again, you're gonna leave me
I can see that far away look in your eyes
I can tell by the way you hold me darlin'
That it won't be long before it's cryin' time

Now you say you've found someone that you love better
Well that's the way it's happened every time before
And as sure as the sun comes up tomorrow
Cryin' time will start when you walk out that door

And it won't be long before it's cryin' time
