

# Honky Tonk Waltz

Ray Stevens

A honky tonk waltz  
The juke box was playin'  
As I was swayin'  
That darlin' of mine  
Just a honky tonk waltz  
C twenty-seven  
Ah, but it felt like heaven  
In three quarter time

Then a stranger walked by  
That's when it happened  
She caught his eye  
He came a-tappin' askin' to share

A honky tonk waltz  
Was a suggestion  
But from her expression  
I knew from the start  
That a honky tonk waltz  
Played our love's ending  
And the beginning  
Of my broken heart

Then a stranger walked by  
That's when it happened  
She caught his eye  
He came a-tappin' askin' to share

A honky tonk waltz  
Was a suggestion  
But from her expression  
I knew from the start  
That a honky tonk waltz  
Played our love's ending  
And the beginning  
Of my broken heart
